(a) *Contracting Officer* has the meaning given such term in section 27(f)(5) of the Office of Federal Procurement Policy Act (41 U.S.C. 423(f)(5)).

(b) *Interested Party* means the contracting activity's contracting officer, SBA, any concern that submits an offer for a specific sole source or set-aside SDVO contract or order (including Multiple Award Contracts), or any concern that submitted an offer in full and open competition and its opportunity for award will be affected by a reserve of an award given to a SDVO SBC.

(c) *Permanent caregiver* is the spouse, or an individual, 18 years of age or older, who is legally designated, in writing, to undertake responsibility for managing the well-being of the service-disabled veteran with a permanent and severe disability, to include housing, health and safety. A permanent caregiver may, but does not need to, reside in the same household as the service-disabled veteran with a permanent and severe disability. In the case of a service-disabled veteran with a permanent and severe disability lacking legal capacity, the permanent caregiver shall be a parent, guardian, or person having legal custody. There may be no more than one permanent caregiver per service-disabled veteran with a permanent and severe disability.

(d) *Service-Disabled Veteran with a Permanent and Severe Disability* means a veteran with a service-connected disability that has been determined by the VA, in writing, to have a permanent and total service-connected disability as set forth in 38 CFR 3.340 for

§ 125.9

Subpart B—Eligibility Requirements for the SDVO SBC Program

SOURCE: 69 FR 25267, May 5, 2004, unless otherwise noted.

§ 125.9 Who does SBA consider to own an SDVO SBC?

A concern must be at least 51% unconditionally and directly owned by one or more service-disabled veterans. More specifically:

(a) *Ownership must be direct.* Ownership by one or more service disabled veterans must be direct ownership. A concern owned principally by another business entity that is in turn owned and controlled by one or more service-disabled veterans does not meet this requirement. Ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by service-disabled veterans where

the trust is revocable, and service-disabled veterans are the grantors, trustees, and the current beneficiaries of the trust.

(b) *Ownership of a partnership.* In the case of a concern which is a partnership, at least 51% of every class of partnership interest must be unconditionally owned by one or more service-disabled veterans. The ownership must be reflected in the concern's partnership agreement.

(c) *Ownership of a limited liability company.* In the case of a concern which is a limited liability company, at least 51% of each class of member interest must be unconditionally owned by one or more service-disabled veterans.

(d) *Ownership of a corporation.* In the case of a concern which is a corporation, at least 51% of the aggregate of all stock outstanding and at least 51% of each class of voting stock outstanding must be unconditionally owned by one or more service-disabled veterans.

(e) *Stock options' effect on ownership.* In determining unconditional ownership, SBA will disregard any unexercised stock options or similar agreements held by service-disabled veterans. However, any unexercised stock options or similar agreements (including rights to convert non-voting stock or debentures into voting stock) held by non-service-disabled veterans still be treated as exercised, except for any ownership interests which are held by investment companies licensed under the Small Business Investment Act of 1958.

(f) *Change of ownership.* A concern may change its ownership or business structure so long as one or more service-disabled veterans own and control it after the change.

§ 125.10 Who does SBA consider to control an SDVO SBC?

(a) *General.* To be an eligible SDVO SBC, the management and daily business operations of the concern must be controlled by one or more service-disabled veterans (or in the case of a veteran with permanent and severe disability, the spouse or permanent caregiver of such veteran). Control by one or more service-disabled veterans
